

**Corrigendum 1, Dt. 01.03.2017 in RFP on
Supply, Installation, Configuration and Commissioning of Network
Firewall to Connect Cloud through VPN for Transport Department Offices
across Andhra Pradesh with Tender id:105614**

Sl.NO	Clause & Page No.	Question	Clarification Sought	Clarification Given
1		model of the firewall	Are you specific on any make/model of the firewall?	No, we are not specific about any make/model of the firewall. The firewall you propose must satisfy all the specifications as mentioned in the RFP.
2		cloud setup	Please let us know which cloud setup, so that we can prepare correct firewall?	Microsoft Azure.
3		VPN Server/ Firewall in cloud	Do we already have a VPN Server/ Firewall in cloud? Or do we have to propose for both side?	Since this is a MS Azure, one must not propose both the sides.
4		site-to-site VPN	Since this is a site-to-site VPN, Do we also have to look for Point to Site VPN (or Dialup VPN)?	This is a point to point & point to multi-point setup.
5	Point bb & Page no.20	Supply of Network Firewalls and allied peripherals: Within 15 days from the date receiving the P.O.	Please consider 4 weeks lead time to delivery the material.	4 weeks lead time to delivery of the material
6	Point 2.2 (a), 1 &	The aggregate sales turnover	Criteria is mentioned as 'Software Design'. Request	The Aggregate sales turnover
